Elke,

Please find attached clean and compare versions of the NFR draft, which reflects changes made in response to HHS written comments, DOJ verbal comments, and OMB written and verbal comments.

Please let us know if you have further questions or would like to set up a time to discuss. We're also planning to send you sections of the RTC shortly.

Kindly,

Lars

Hi all, OMB would like to provide comments over the phone at a career staff level. Is EPA available on Wednesday at noon? Otherwise, we have availability on Friday.
