Subject: EO 12866 Oil and Gas Reconsideration 2060-AT54 and RIA

Karen and Amy, please find additional edits and comments from OMB highlighted in yellow in the attached documents.

There was one overarching formatting comment on the RIA:

While we appreciate the brevity of EPA's RIA format, the RIAs should have appropriate cross references and summary discussion from underlying documents (e.g., cost memo, TSD, etc.). The RIA should allow readers to understand broadly the contents of the underlying documents without having to read them individually.

Best, Elke
