Karen and Deirdre, please see the attached comments for tomorrow's call (which I will schedule now). There is still more forthcoming on the secondary standards. And the comment deadline is tomorrow COB so there will be others likely.

Great. We can do 10am tomorrow if that still works. I had understood we can expect written comments before the meeting tomorrow. Is that correct?

Thanks,
Karen

OMB would like to give oral comments tomorrow on the primary standards section. We can do 10, 12, or 4. What time works for EPA?

For the meeting with DOJ, Thursday would work best for us. We can make any time work but would be great if it wasn't at 10:30-11am or 2:30-3:30pm. For Friday, any time before noon would work.

Thanks,
Karen

Thank you, Karen. Is the RTC coming soon too?

Also can you send availability for a DOJ call next Thursday or Friday. We should get that scheduled.
