

Public Notice: Request for Comments

Draft Federal Clean Air Act Title V Permit to Operate to Assure Compliance with Air Pollution Control Requirements for Arrow Pipeline, LLC – Stations 1-6 Compressor Stations on the Fort Berthold Indian Reservation

Public notice issued:

February 9, 2021

Written comments due:

5:00 p.m. MST, March 11, 2021

Where is the facility located?

Arrow Pipeline, LLC
Stations 1-6 Compressor Stations
Fort Berthold Indian Reservation
Dunn and McKenzie County, North Dakota

Station 1 Compressor Station:
Latitude 47.759800, Longitude -102.725922
Station 2 Compressor Station:
Latitude 47.723781, Longitude -102.694333
Station 3 Compressor Station:
Latitude 47.729061, Longitude -102.590211
Station 4 Compressor Station:
Latitude 47.667064, Longitude -102.545058
Station 5 Compressor Station:
Latitude 47.666366, Longitude -102.728030
Station 6 Compressor Station:
Latitude 47.730086, Longitude -102.356544

What is being proposed?

The EPA proposes to issue a Clean Air Act (CAA), Title V Permit to Operate in accordance with the Code of Federal Regulations at Chapter 40 CFR part 71, for Stations 1-6 Compressor Stations located on Indian country lands within the Fort Berthold Indian Reservation.

The EPA issues CAA Title V operating permits in Indian country where the EPA has not approved a tribe to implement the Title V Operating Permit Program. The Three Affiliated Tribes do not have an approved Title V Operating Permit Program.

Air pollutant emissions come from the six separate compressor stations and associated equipment. Locations are outlined in the permit. The draft operating permit includes requirements for air pollutant emissions control including those established by a synthetic Minor New Source Review (MNSR) permit

Permit number:

V-TAT-000367-2015.00

How can I review documents?

Due to the COVID-19 pandemic, you may view an electronic copy of the proposed permit and related documents online at the website cited below. Information is also available by emailing or speaking with the following contact:

U.S. EPA Region 8
Contact: Colin Schwartz,
at (303) 312-6043
or schwartz.colin@epa.gov

Three Affiliated Tribes Environmental Department
Fort Berthold Indian Reservation
Contact: Edmund Baker,
Environmental Director, at

What are EPA's responsibilities?

The EPA Region 8 Air and Radiation Division is the regulatory agency that helps protect and preserve air quality on the Fort Berthold Indian Reservation.

One way the EPA does this is by issuing CAA Title V operating permits for major air emission sources that require air pollutant emissions control and monitoring. The purpose of this notice is to invite you to submit written comments on this proposed permit through the process detailed in this notice.

What happens next?

The EPA will review and consider all comments received during the comment period.

Following this review, the EPA may issue the permit, issue with revisions or deny the permit.

Public Comment Period:

The EPA will accept written comments on this draft Title V Operating Permit beginning:
February 9, 2021
through
5:00 p.m. March 11, 2021.

Where can I send written comments?

The EPA accepts comments by e-mail and through
<https://www.regulations.gov>
(Docket ID #EPA-R08-OAR-2018-0351).

How can I make comments by e-mail?

To make comments via e-mail, click on the name of the EPA contact person at the website below.
