Subject: Notice of Public Comment Period – Proposed Revised Permit to Construct on the Southern Ute Indian Reservation

In accordance with the regulations at 40 CFR 49.157 and 49.158, the EPA is hereby providing notification of the availability for public comment of the proposed revised Clean Air Act synthetic minor New Source Review permit for the following source located on Indian country lands within the Southern Ute Indian Reservation:

Red Cedar Gathering Company – South Ignacio Central Delivery Point

Electronic copies of the proposed revised permit, technical support document, application and other supporting permit information will be available online at <http://www.epa.gov/caa-permitting/caa-permit-public-comment-opportunities-region-8> by the start of the public comment period.

Due to the COVID-19 pandemic, for information regarding review of the application, the proposed permit, technical support document and all supporting materials for the proposed permit, please use the following contacts:

*Southern Ute Indian Tribe
Environmental Programs Division
Contact: Danny Powers, Air Quality Program Manager, at (970) 563-2265 or dpowers@southernute-nsn.gov
and*

*U.S. Environmental Protection Agency
Air and Radiation Division, Region 8
Contact: Suman Kunwar, Environmental Engineer, at (303) 312-6095 or kunwar.suman@epa.gov*

Paper copies of the proposed revised permit, technical support document, application, and other supporting permit information may be reviewed by contacting the Federal and/or Tribal contacts listed above and identified in the public notice bulletin included at the link to the administrative docket in [regulations.gov](https://www.regulations.gov) accessed at the website above.

Comments may be sent by mail to:

US EPA Region 8
Air and Radiation Division
1595 Wynkoop Street, 8ARD-PM
Denver, CO 80202
Attn: Tribal NSR Coordinator

or

Electronically online through Docket #[EPA-R08-OAR-2019-0290](#) at <https://www.regulations.gov> or to R8AirPermitting@epa.gov

In order to view the latest proposed revised permit and relevant supporting documents on [regulations.gov](https://www.regulations.gov), please enter the docket id provided above in the search bar and filter the results by date posted (9/30/2020).

In accordance with the regulations at §49.157, the Agency is providing a 30-day period from October 1, 2020 to November 2, 2020 for public comment on this proposed revised permit for a second time. Comments must be received by 5:00pm MT November 2, 2020, to be considered in the issuance of the final permit. If a public hearing is held regarding this permit, you will be sent a copy of the public hearing notice at least 30 days in advance of the hearing date.

In light of the current COVID-19 pandemic, the EPA reserves the right to delay, within reason, or hold electronic public hearings if possible. Further guidance regarding public hearings will be decided at a later date taking into account local health and safety with regards to the COVID-19 pandemic.

Thank you,

Suman Kunwar | Environmental Engineer
Air Permitting and Monitoring Branch (8ARD-PM)
U.S. EPA Region 8 | Denver, CO 80202
(303) 312-6095 | kunwar.suman@epa.gov
