Subject: Notice of Public Comment Period – Proposed Permit to Construct on the Uintah and Ouray Indian Reservation

In accordance with the regulations at 40 CFR 49.157 and 49.158, the EPA is hereby providing notification of the availability for public comment of the proposed Clean Air Act synthetic minor New Source Review permit for the following source located on Indian country lands within the Uintah and Ouray Indian Reservation:

Monarch Natural Gas, LLC – Riverbend Compressor Station

Electronic copies of the proposed permit, technical support document, application and other supporting permit information will be available online at <http://www.epa.gov/caa-permitting/caa-permit-public-comment-opportunities-region-8> by the start of the public comment period.

Due to the COVID-19 pandemic, for information regarding review of the application, the proposed permit, technical support document and all supporting materials for the proposed permit, please use the following contacts:

*Ute Indian Tribe
Energy & Minerals Division
Contact: Mike Natchees, Director, Air Quality Program, (435) 725-4974 or miken@utetribe.com*

and

*U.S. Environmental Protection Agency
Air and Radiation Division, Region 8
Contact: Colin Schwartz, Environmental Scientist, (303) 312-6043 or schwartz.colin@epa.gov*

Paper copies of the proposed permit, technical support document, application, and other supporting permit information may be reviewed by contacting the Federal and/or Tribal contacts listed above and identified in the public notice bulletin included at the link to the administrative docket in regulations.gov accessed at the website above.

Comments may be sent by mail to:

US EPA Region 8
Air and Radiation Division
1595 Wynkoop Street, 8ARD-PM
Denver, CO 80202
Attn: Tribal NSR Coordinator

or

Electronically online through Docket #[EPA-R08-OAR-2020-0089](#) at <https://www.regulations.gov> or to R8AirPermitting@epa.gov

In accordance with the regulations at §49.157, the Agency is providing a 30-day period from June 12, 2020 to July 13, 2020 for public comment on this proposed permit. Comments must be received by 5:00pm MT July 13, 2020, to be considered in the issuance of the final permit. If a public hearing is held regarding this permit, you will be sent a copy of the public hearing notice at least 30 days in advance of the hearing date.

In light of the current COVID-19 pandemic, the EPA reserves the right to delay, within reason, or hold electronic public hearings if possible. Further guidance regarding public hearings will be decided at a later date taking into account local health and safety with regards to the COVID-19 pandemic.

Colin C. Schwartz
