Subject: Notice of Public Comment Period – Proposed Permit to Construct on the Fort Peck Indian Reservation

In accordance with the regulations at 40 CFR 49.157 and 49.158, the EPA is hereby providing notification of the availability for public comment of the proposed Clean Air Act True Minor New Source Review permit for the following source located on Indian country lands within the Fort Peck Indian Reservation:

Montana Dakota Utilities Company – Poplar Oil Field Substation (with Emergency Generator)

Electronic copies of the proposed revised permit, technical support document, application and other supporting permit information will be available online at <http://www.epa.gov/caa-permitting/caa-permit-public-comment-opportunities-region-8> by the start of the public comment period.

Due to the COVID-19 pandemic, for information regarding review of the application, the proposed permit, technical support document and all supporting materials for the proposed permit, please use the following contacts:

*Assiniboine and Sioux Tribes
Environmental Programs Office
Contact: Martina Wilson, Environmental Director, at (406) 768-2329 or martinawilson@fortpecktribes.net*

and

*U.S. Environmental Protection Agency
Air and Radiation Division, Region 8
Contact: Suman Kunwar, Environmental Engineer, at (303) 312-6095 or kunwar.suman@epa.gov*

Paper copies of the proposed revised permit, technical support document, application, and other supporting permit information may be reviewed by contacting the Federal and/or Tribal contacts listed above and identified in the public notice bulletin included at the link to the administrative docket in regulations.gov accessed at the website above.

Comments may be sent by mail to:

US EPA Region 8
Air and Radiation Division
1595 Wynkoop Street, 8ARD-PM
Denver, CO 80202
Attn: Tribal NSR Coordinator

or

Electronically online through Docket #[EPA-R08-OAR-2020-0236](#) at <https://www.regulations.gov> or to R8AirPermitting@epa.gov

In accordance with the regulations at §49.157, the Agency is providing a 30-day period from August 31, 2020 to September 30, 2020 for public comment on this proposed revised permit. Comments must be received by 5:00pm MT September 30, 2020, to be considered in the issuance of the final permit. If a public hearing is held regarding this permit, you will be sent a copy of the public hearing notice at least 30 days in advance of the hearing date.

In light of the current COVID-19 pandemic, the EPA reserves the right to delay, within reason, or hold electronic public hearings if possible. Further guidance regarding public hearings will be decided at a later date taking into account local health and safety with regards to the COVID-19 pandemic.

Thank you,

Suman Kunwar
