Subject: Requesting an extension on 14CFR 141.87

Dear Mr. O'Connor:

This letter is in regard of an extension of sixty days on regulation 14CFR 141.87 Change of Chief Flight Instructor. We are asking for the extension because of the current COVID-19 pandemic. At Land and Sea Alaska we value safety and can not ask any candidates to come in for a check until the risk of illness has decreased.

I understand that we still have over thirty days to comply with the regulation, but due to the situation we can not guarantee that we will be able to. We are following current CDC recommendations and until they advise otherwise, we would like to extend our deadline. We appreciate your consideration and assistance in this regard.

Looking forward to your approval,

Key Ma, President
